Dirty Laundry

Anonymous

Summary:

"Two whole months of free laundry in exchange for two weeks of being my fake boyfriend. Deal?"

Keith hesitated for a moment. Was this really worth it? Hardly. Lance was an asshole, and he wasn't sure what fake dating would entail. But, free laundry was free laundry, right?

"Alright, it's a deal."

Or: Lance makes the mistake of telling his Mom he has a boyfriend coming home with him for Christmas. Keith makes the mistake of agreeing to be Lance's 'fake boyfriend'.

Chapter 1 (<http://archiveofourown.org/web/20180228141426/http://archiveofourown.org/works/7454385/chapters/16939401>):**Important Notes****IMPORTANT NOTE:**

This fanfic is rated M (Mature) for constant and reoccurring homophobia, biphobia, graphic kiss/make out scenes, constant swearing, references to sex and genitalia, as well as some blood in a few scenes. There is NO graphic sex nor smut of any kind. (Sorry if any of you were looking forward to that.)

Additionally, I ask that everyone from here on out keep their Dirty Laundry content exclusively to the Dirty Laundry tag. Please use #Voltrondirtylaundry or 'Voltron: Dirty Laundry'. This is so that I can find your content easily, as well as keeping the Klance tag clean of DL content. Please DO NOT use the tag 'Dirty Laundry' on tumblr as that can bring of NSFW elements from other tumblr users.

I also ask that if you have questions, please send them to my main blog, which has been changed from Anakinsbutthole to princegiblslythe. (The other blog previously used, 'Giblslythe', is my art blog.)

Please Read:

1. Before you dive in, I want you all to know that this fic was written for me. It was a coping mechanism, almost like a diary. A lot of the thematic elements, messages, and plot points are there for reasons personal to me and my life. If you do not agree with something specific, I ask that you please keep it to yourself or do not read.
2. Secondly, I know that this entire story is cheesy, but that's the point. I'm a cheesy person, and that's just how it's going to go. The fluff is tooth rotting.
3. Also, I have chosen to keep Gasolina. I have received many messages from people of the Hispanic culture who have repeatedly asked me to keep it, and therefore I will.
4. I would recommend rereading the entire fic from the beginning for continuity. (Plus some things, though minor, have changed) However, if not you may skip to Day 9 or Chapter 7 for the new content.
5. All songs, references to outside elements, or mentions of real life events are not owned by me.
6. This piece of fiction was written with the help of many people, including help for the sake of keeping the culture references accurate. Below is the list of people who helped in any way, shape, or form.
